

Our Proven Process

A Step-By-Step Guide to How We Do Picture Days!

1

The Meet and Greet

Here is where we collectively decide if Strawbridge Studios is the right fit for you! We will establish our partnership and discuss our offerings to ensure that we can provide you with the best care.

2

Select Programs and Services

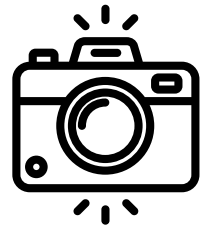

Once we have decided that we are the right fit for your school, we will discuss your picture day needs by selecting the program and services that will ensure you have everything needed for a successful year of pictures!

3

Experience Picture Day

Our job is to take the work out of your picture days. With our custom scheduling templates and professional photographers, we expect nothing less than excellence from our teams.

4

Time for Production

Once we have taken your school pictures, it's time to print, package, and ship. We use cutting-edge digital technology and state-of-the-art printing machinery for both fast and reliable customer satisfaction.

5

Follow-up and Customer Service

Our trained Field Representatives and Customer Service team will work with both your school and parents to deliver 100% customer satisfaction.

6

Evaluate and Review

We will sit down with your school to confirm that your programs and services met your school's picture day expectations and plan for another year of successful picture days!
