

# CUSTOM COVER REQUEST FORM

*This form should be used when you would like for Strawbridge Studios to create a custom cover for you. If you have made your own design, please email the design to [ybsupport@strawbridge.net](mailto:ybsupport@strawbridge.net).*

*Please provide the following information for our office:*

School Name: \_\_\_\_\_

Advisor Name: \_\_\_\_\_

## Cover Details

Please describe the concept for your yearbook cover.

---

---

---

---

---

---

Please write all text as you would like it to appear on the cover.

---

---

---

---

---

Please tell us about any stylistic preferences you may have. Please refer to any specific or general printed work such as books or album covers or even video or game graphics.

---

---

---

Please tell us of any typeface/font preferences you may have.

---

If your cover is to feature specific colors such as school colors, please list them.

---

If you want your cover to feature your mascot, please tell us if you are providing a print quality image to be used or if you need us to find an image and what your mascot is.

We have partnered with Adobe Stock Images and can offer your school one free download from this online link: <https://stock.adobe.com/> to assist in creating your yearbook cover. If you find an image that you like, please let us know the image Number \_\_\_\_\_.
